### Debit card

Your debit card is two cards in one! Use it to withdraw cash around the corner, or around the world. And, use your debit card to make purchases almost anywhere that displays the MasterCard® logo.

If you prefer the convenience of an ATM card without the functionality of a debit card, ask about our ATM-only card option.

### Surcharge-free ATMs

When you can't access an Interra ATM or local shared branch, you can still get cash at ATMs without paying a surcharge through the Alliance One network ([atmallianceone.org](http://atmallianceone.org)). And with more than 4,500 ATMs in more than 40 states, ready cash is always nearby.

### Sign & Save

Save money when you spend money with the Sign & Save program at Interra. When you make a signature-based purchase with your debit card, we'll bump up your transaction to the next whole dollar and transfer the difference into your Sign & Save savings account. You'll earn MORE with every purchase. We'll match 25% of your bump-ups on purchases for the first 30 days your account is open. After that, you'll still get a 5% match on bump-up amounts and earn even MORE with a higher rate than a regular savings account. Sign up today!
