

Use your debit card to earn FREE rewards

Your best interests are always “top of mind” at Interra Credit Union. Every day, we look for ways to offer increased benefits, without increasing charges and fees. With that in mind, the credit union introduces the [Interra Rewards](#) program – an opportunity for you to earn points just for using your debit card.*

Earn points – redeem for rewards!

- Do you have an Interra checking account with a debit card? That’s what you need to be automatically eligible. You don’t even have to sign up.
- Just use your debit card for purchase transactions, signature-based and PIN-based transactions, too.
- Every three months, account holders will receive a certificate in the mail that includes all the rewards points they earned within the preceding three-month period.
 - ❖ You can choose to redeem points right away, or accrue points and accumulate them toward a gift in a higher-point category.

Does it matter if I use my PIN or sign for the purchase?

- Yes. You get more points for signature purchases, but you get points for all purchases. You earn one point for every \$100 spent with a signature and one-half point for every \$100 spent with a PIN.

What if there are two debit cards on the same checking account – do they both count?

- We look at the transactions at the checking account level. That means that the transactions made on each card are accumulated toward one reward certificate.

Do ATM transactions count?

- No, only purchase transactions count for Interra Rewards.

What if I have an Interra checking account, but I don’t have a debit card?

- Just call or visit any Interra office. A member service representative can assist you.

What if I have questions?

- Go to the [Interra Rewards website](#), which provides information and resources. That’s also where you enter your certificate numbers and redeem your rewards.
- If you need additional support, please call the program support number at 910.202.3429 (this is not a toll-free number).
