Putting your goals within reach

The power to get what you want

Interra offers low-cost loans to get the things you want in life — a new car, a college education or even a well-deserved vacation.

Auto loans

If it has wheels, Interra has a loan for virtually all types of vehicles, both new and used. Choose the loan for your favorite vehicle:

- Car or trucks
- Motorcycles
- RVs, boats and more

Home equity loans

If you own your home, you can use the equity to get the things you need. Home equity loans and lines of credit generally have lower interest rates than conventional loans, and the interest you pay may be tax deductible. (Please consult your tax professional about the deductibility of the interest you pay.)

Personal loans

A personal loan at Interra is designed to be a flexible solution to meet your financial goals. It can be used for anything including vacations, remodeling your home or even a new TV. Our excellent rates and our trusted loan professionals make a personal loan at Interra a perfect fit!

Student Loans

Interra offers a full range of student loan options to help fill your funding needs. When federal aid just isn't enough, look to your credit union. The Credit Union Student Choice Program includes no origination fees, an easy online application, low credit-based rates and flexible repayment options.

Checking line of credit

For your peace of mind and convenience, the checking line of credit (LOC) is a way to borrow money simply by writing a check. It provides an overdraft protection option for your checking account and allows you to pay for emergency expenses or any other need.

Visa Cards – rewards and more

Earn rewards on all Visa® credit card programs at Interra through the exclusive CU Rewards program — www.curewards.com. There's more! Save money with no annual fee and take advantage of great rates, too. And, you can conveniently access cash advances with a PIN at any Interra office or at any ATM displaying the Visa logo.
