

# Redeem Visa® reward points for gift cards at curewards.com

As an additional option, you may redeem your CUrewards for gift cards. You can use the gift cards for yourself, or give them as gifts. How about this idea? Redeem your points for a gift card and use it to purchase items on sale. That's a real point-stretcher!

To learn more about the gift card options – point requirements, card values and redemption – just login at [curewards.com](http://curewards.com). If you do not have computer access, please contact the credit union for assistance.
