

Interra Credit Union Offers Alternative Student Loan

Interra Credit Union now offers an alternative student loan program, Credit Union Student Choice. When federal programs, scholarships and personal savings aren't enough, it helps fill the funding gap between those resources and the cost of a college education.

Unlike other alternative loan products, Interra's student loan offers significantly lower rates, zero origination fees and more flexible repayment terms.

To find out more about the student loan program or to apply for a Credit Union Student Choice loan, go online to www.interracu.studentchoice.org or call or visit any Interra office, in Goshen, Elkhart, Middlebury, Millersburg, Nappanee, New Paris and Wakarusa.
