

## INTERRA CREDIT UNION AND MIDDLEBURY COMMUNITY SCHOOLS EXTEND FOOTBALL FIELD NAMING RIGHTS

FOR IMMEDIATE RELEASE: March 20, 2024 – Middlebury Community Schools (MCS) is proud to announce a 6-year renewed partnership with Interra Credit Union. With this extended partnership, Interra will continue servicing the school district with its financial needs and continue naming rights of the MCS football field – called Interra Field.

The outdoor athletic complex at Northridge High School and Interra Field features a 4,000 seat football stadium with outdoor track, state-of-the-art turf and emblazoned scoreboard. Benefits from this agreement provides category exclusive football marketing rights to the credit union and financial support for the school corporation. The school district plans to utilize the annual financial support from Interra to offset the majority of costs associated with the maintenance and upkeep of this beautiful athletic complex at Northridge High School, according to Dr. Jayson Snyder, MCS Superintendent.

In 2019, the groundwork for this partnership was laid, setting the stage for mutual endeavors.

“We are thrilled to continue our partnership with Interra Credit Union,” shared Dr. Jayson Snyder, MCS Superintendent. “This collaboration exemplifies the shared commitment to excellence in education and community development.”

“With great access to financial services and quality school systems, communities thrive,” acknowledged Amy Sink, Interra Credit Union CEO. “Through this partnership, we pave the way for lasting benefits that will echo through the generations to come.”

Brandon Yoder, Head of Wealth Services, added, “Renewing the facility naming rights of Interra Field is not just a commitment to the present, but a promise to invest in the future. We are eager to continue our collaborative journey towards shared success.”

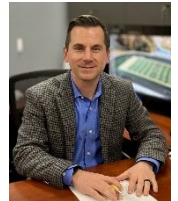

While not only providing banking resources for staff, parents and students, Interra Credit Union remains steadfast in contributing to the growth and school spirit of MCS’s sports programs.
