

Unemployment Distribution

We understand enrolling in unemployment can be a bit confusing. Here are some helpful tips:

- Know that Interra's debit card is not a loadable debit card. Refer to the [Indiana Department of Workforce Development](#) (DWD) for assistance with your deposit and payment choices.
- Be sure you have chosen the correct account that you prefer your deposit made into. Here's how to choose your correct account number:
 1. Log in to your Interra online banking
 2. Click on the share you would like the funds to be deposited to
 3. Use the account number listed in the gray box next to "Account Number" to be provided to DWD.

If you do not have online banking, please contact Interra at 574-534-2506 for account assistance.
