

AMENDMENT TO CREDIT CARD DOCUMENT – MILITARY LENDING ACT

The following amends your credit card agreement and Account Opening Truth-in-Lending Disclosure. Please keep with your other credit card documents.

IMPORTANT DISCLOSURES FOR ACTIVE MEMBERS OF THE MILITARY AND THEIR DEPENDENTS:

The Military Lending Act applies to this credit card account if at the time you establish the account you are an active member of the military or a dependent (as defined in the Military Lending Act, 10 U.S.C. 987 and implementing regulations). The following terms and conditions amend your credit card agreement and apply during any period(s) in which you are active military or a dependent under those definitions. They do not apply when you are not an active duty member of the military or a dependent:

- 1. NOTICE:** Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: the costs associated with credit insurance premiums or debt protection fees; fees for ancillary products sold in connection with the credit transaction; any application fee or participation fee unless they are bona fide and reasonable under the MLA. To receive this notice verbally, please call toll-free 888-432-2848.
 - Advances will not be secured by a consensual lien on shares or deposits in any of your share or deposit accounts unless you specifically agree to establish a secured share or deposit account in connection with this credit card account ("Secured Account"). Only funds deposited into the Secured Account after the credit card is established will secure advances. Any cross-collateralization provision contained in your credit or membership documents will not apply to the Secured Account or your other share or deposit accounts for this account.
- However, with regard to this credit card account, we still reserve our rights regarding statutory liens and administrative freeze under federal or state law.
- Any contract terms in your credit card, security, or membership agreements that contradict the above shall be inapplicable.
- Your credit card account is not subject to mandatory arbitration and therefore any reference to mandatory arbitration in connection with this credit card account does not apply.

All other terms and conditions of your account remain unchanged and in full effect.

Standard & Platinum Credit Card Agreement & Disclosure

KEEP THIS FOR FUTURE USE

In this Agreement the words "you" and "your" mean each and all those who apply for the Card; "Card" means the MasterCard Standard and Platinum credit card and any duplicates, renewals or substitutions the Credit Union issues to you; "Account" means your MasterCard credit account with the Credit Union, and "Credit Union" means the Credit Union whose name appears on this Agreement or anyone to whom the Credit Union transfers this Agreement. "We," "Us," and "Ours" means this Credit Union. By applying for or using your credit card, you have agreed to the following provisions, as amended from time to time.

1. Responsibility. If we issue you a Card, you agree to repay all debts and the FINANCE CHARGE arising from the use of the Card and the Card account. For example, you are responsible for charges made by yourself, your spouse and minor children. You are also responsible for charges made by anyone else to whom you give the Card, and this responsibility continues until the Card is recovered. You cannot disclaim responsibility by notifying us, but we will close the account for new transactions if you so request and return all Cards. Your obligation to pay the account balance continues even though an agreement, divorce decree or other court judgment to which we are not a party may direct you or one of the other persons responsible to pay the account. Any person using the Card is jointly and severally liable with you for the charges he or she makes, but if that person signs the Card he or she becomes a party to this Agreement and is also jointly responsible for all charges on the account, including yours. The Credit Union reserves the right to change the periodic rate(s) or otherwise amend this Agreement in accordance with fee schedules adopted by the Credit Union from time to time.

2. Lost Card Notification. If you believe the Card has been lost or stolen, you must immediately call the Credit Card Center at 800-449-7728.

3. Authorized Users. Authorized users have no financial responsibility for this account. You are responsible for all charges made by any appointed authorized user(s). Authorized user(s) will have access to account information, however they will not have the same rights or privileges as you. Authorized users may not: (a) add, edit, or remove account signers; (b) make amendments or changes to the credit card account, including, but not limited to, closing the account or making changes to credit limits; (c) request new or replacement cards, PINs, or statements; or (d) request balance transfers. Authorized user(s) agree that we may report this account to the credit bureaus on their behalf.

4. Your Responsibility and Liability for Unauthorized Use. You will have no liability for unauthorized purchases made with your Credit Card. You may be liable for unauthorized use for cash advances at ATMs (Automatic Teller Machines) where as your liability shall not exceed the lessor of \$50.00 or the amount of the unauthorized use. If your Card is lost, stolen or if you are afraid someone used or may use your Card without your permission, you must notify the Credit Card Center at 800-449-7728. If notice is given orally, you may be asked to promptly confirm it in writing. The Credit Union may require you to provide us certain information in writing to help us investigate any unauthorized uses. Further, you agree to cooperate and assist us or any government or law enforcement agent or agency in investigating, collecting or pursuing any other rights (civil and criminal) relating to any unauthorized use.

5. Credit Line. If we approve your application, we will establish a self replenishing Line of Credit for you and notify you of its amount when we issue the Card. You agree not to let the account balance exceed this approved Credit Line. If such credit limit is exceeded, the entire balance of your account or the amount over the credit limit may, at the Credit Union's option, become immediately due and payable on demand. Each payment you make on the account will restore your Credit Line by the amount of the payment which is applied to the principal. You may request an increase in your Credit Line only by written application to us, which must be approved by

our loan committee or loan officer. We may reduce your Credit Line from time to time, or with good cause, revoke your card and terminate this Agreement. Good cause includes, but is not limited to, your failure to comply with this Agreement, or our adverse reevaluation of your creditworthiness. You may also terminate this Agreement at any time by providing us written notice, but termination by either of us does not affect your obligation to pay the account balance. The Card remains our property and you must recover and surrender to us all Cards upon our request and upon termination of this Agreement.

6. Credit Information. You authorize us to investigate your credit standing when opening, renewing or reviewing your account, and you authorize us to disclose information regarding your account to credit bureaus and other creditors who inquire of us about your credit standing.

7. Monthly Payment. We will mail you a statement or provide one to you electronically via e-mail in any month in which the Card has a debit or credit balance in excess of \$1.00. Every month you must pay at least the Minimum Payment within 25 days of your statement closing date. You may, of course, pay more frequently, pay more than the Minimum Payment, or pay the Total New Balance in full, and you will reduce the FINANCE CHARGE by doing so. The Minimum Payment will be either (a) 2% of your Total New Balance, or \$25.00, whichever is greater, or (b) your Total New Balance if it is less than \$25.00 plus (c) any portion of the Minimum Payment(s) shown on prior statement(s) which remains unpaid. In addition, at any time your Total New Balance exceeds your Credit Line, you must immediately pay the excess upon demand. We will apply your minimum payments first to any fees; then to any credit insurance charges; then to any FINANCE CHARGES; then to previously billed cash advances; then to previously billed purchases; then to new cash advances; and then to new purchases. Payment amounts over or above the required minimum payment will be applied to the balances with the highest annual percentage rate.

8. Variable Annual Percentage Rate (APR). The variable APR may change when the Prime Rate changes. The APR for Purchases, Cash Advances and Balance Transfers for the MasterCard Standard card is 11.90%, 15.90% or 19.90% depending on your credit history. This APR will vary with the market based on the Prime Rate. The APR for Purchases, Cash Advances and Balance Transfers for the MasterCard Platinum card is 8.90%, 12.90% or 16.90% depending on your credit history. This APR will vary with the market based on the Prime Rate. The daily periodic rate is determined by taking the APR and dividing it by 365. The APR is determined based on the most recent credit information and subject to be reassessed every six (6) months.

9. Finance Charges. There is no FINANCE CHARGE on purchases if the New Balance is paid in full by the due date on the statement on which these purchases first appear. If not so paid, the New Balance of Purchases, and subsequent purchases from the date they are posted to your account, will be subject to FINANCE CHARGE. Cash advances are always subject to FINANCE CHARGE from the date they are posted to your account. The principal balances of purchases and cash advances are determined each day during the statement period, beginning with the principal portion of your Previous Balances, reduced by payments you make and credits we apply, and increased by purchases and cash advances you

make and debit adjustments we make during the statement period. The daily principal balances are totaled, and divided by the number of days in the statement period, to produce separate average daily principal balances for purchases and cash advances to which the periodic rate is then applied.

10. Default. You will be in default if: (a) you fail to pay the Minimum Payment by the Payment Due Date; (b) the Credit Union, in its sole discretion, feels insecure (for example: Our good faith belief that your ability to pay your account is impaired; use of your account in any manner or in any way that may expose the Credit Union to a risk of loss; etc.); (c) your ability to repay is materially reduced by a change in your employment, by an increase in your obligations, by bankruptcy or insolvency proceedings involving you, by your death; (d) you exceed your credit limit without our permission; (e) you have made a false or misleading statement to us in your application or otherwise; (f) you are in default under any other Agreement with us; (g) if you use or authorize the use of any Cards to make or facilitate any illegal transaction; or (h) you fail to perform any of your other obligations under the terms of this agreement as it may be amended from time to time. In the event of your default, your account balance and interest accrued shall be immediately due and payable without notice or demand. We shall be entitled to pursue all remedies under Indiana law and you agree that the venue of any lawsuit arising out of this Agreement shall be any of the Superior Courts of Elkhart County, Indiana. In the event of your default, you shall also be liable for our costs of collection and attorney fees. In the event of your default, we shall be entitled to the immediate possession of the Card without notice or demand. You agree that the law of the state of Indiana shall apply to this Agreement and any legal proceedings brought to enforce any term or provision of this Agreement.

11. Using the Card. To make a purchase or cash advance, there are two alternative procedures to be followed. One is for you to present the Card to a participating MasterCard plan merchant, to us or another financial institution, and, if required, sign a sale or cash advance draft; or you may also make purchases or cash advances by telephone, mail, or other electronic devices. You authorize us to honor any purchase or cash advance you make by telephone, mail, or other electronic devices on this account. You agree that a signature is not necessary as identification in such cases. The other is to complete the transaction by using your personal identification number (PIN) in conjunction with the Card in an automated teller machine or other type of electronic terminal that provides access to the MasterCard system. The personal identification number must be protected by you and will not be carried with your MasterCard card at any time. The monthly statement will identify the merchant, electronic terminal or financial institution at which transactions were made, but sales, cash advance, credit or other slips cannot be returned with the statement. You will retain the copy of such slips furnished at the time of the transaction in order to verify the monthly statement. The Credit Union may make a reasonable charge for photocopies of slips you request.

12. Others Using Your Account. If you allow anyone else to use your account, you will be liable for all credit extended to such persons. You promise to pay for all purchases and advances made by anyone you authorize to use your account, whether or not you notify us that he or she will be using it. If someone else is authorized to use your account and you want to end that person's privilege, you must notify us in writing, and if he or she has a Card, you must return that Card with your written notice for it to be effective.

13. Returns Adjustments. Merchants and others who honor the Card may give credit for returns or adjustments, and they will do so by sending us a credit slip which we will post to your account. If your credits and payments exceed what you owe us, we will hold and apply this credit balance against future purchases and cash advances, or if it is \$1.00 or more, refund it on your written request or automatically after 6 months.

14. Illegal Transactions. You agree that your Card and account will not be used to make or facilitate any illegal transactions as determined by applicable law; and that

any such use will constitute an event of default under this Agreement. We may decline any transaction that we believe to be illegal under applicable law, including but not limited to any transaction involving or relating any gambling activity. You agree that we will have no liability or responsibility for any such use by you or any authorized user(s); or for declining any such transaction. You further agree to indemnify and hold us harmless from any suits, liability, damages or adverse action of any kind that results directly or indirectly from such illegal use. You promise to pay us any and all amounts owing on your Card for any transactions made by you, even if the transaction is determined to be illegal.

15. Foreign Transactions. CURRENCY CONVERSION FEE: If you effect or authorize a transaction with your access device in a currency other than US Dollars, MasterCard will convert the charge into a US Dollar amount. The MasterCard currency conversion procedure includes use of either a government-mandated exchange rate, or a wholesale exchange rate selected by MasterCard, as applicable. The exchange rate MasterCard uses will be a rate in effect on the day the transaction is processed. This rate may differ from the rate in effect on the date of the purchase or the date the transaction was posted to your account. A Currency Conversion Fee of up to 1% will be applied to transactions that are converted from foreign currencies to U.S. dollars. **CROSS-BORDER TRANSACTION FEE:** In addition, MasterCard charges us a Cross-Border Assessment up to 1% on each transaction on all cross-border transactions regardless of whether there is a currency conversion. For purposes of this Section, "cross-border transaction" shall include both (a) transactions initiated in a foreign country which are subsequently settled in the United States, and (b) transactions initiated in the United States but which are ultimately settled in a country outside of the United States. The Credit Union will assess these fees to you to reimburse it for the fee it is required to pay for each of your transactions subject to these terms. The Cross-Border Transaction Fee will be shown separately on your periodic billing statement. The Currency Conversion Fee, if it applies to the transaction, will be included in the transaction amount posted on your statement.

16. Credit Union's Liability. We are not responsible for the refusal of any plan merchant or financial institution to honor your Card, you agree to settle all disputes arising from purchases directly with the merchant who honored the Card, and except as provided by the Fair Credit Billing Act to pay the Credit Union all amounts shown on the statement in spite of such disputes. If our system is not working, we may not be able to authorize a transaction, even though you have sufficient credit available. Also, for security reasons, we may block the use of your card in certain countries or geographic areas. We will have no liability to you or others if any of these events occur.

17. Security Interest. You hereby grant to us a security interest in the goods purchased by the card which shall serve as collateral security for the performance by you of your obligations under this Agreement, including your obligation to make any Minimum Payment by the due date. In the event of your default as described in paragraph #10 above, we shall be entitled to all the remedies of a secured party under Indiana law, including the right to take possession of the collateral security. You agree that we are authorized to file whatever documents are necessary to perfect our security interest, including without limitation, financial statements.

18. Effect of Agreement. This Agreement is the contract which applies to all transactions on your account even though the sales, cash advance, credit or other slips you sign or receive may contain different terms. We may amend this Agreement from time to time by sending you the advance written notice required by law. If you do not want to accept the changes or amendments, you can choose not to accept the changes in the notice by cancelling your credit card account. To cancel your credit card account you must do so by a written letter advising us that you do not want to accept the changes. Send the letter to: Interra Credit Union, P.O. Box 727, Goshen, IN 46527. If you choose not to accept any changes or amendments, you will still be responsible for any outstanding balances on your credit card

account; Your credit card account will no longer be available for any use or activity; Any reward points you have earned will be forfeited.

19. Annual Fee. None.

- Cash advance fee shall be a 2% charge of the amount advanced.
- ATM withdrawals are subject to a 2% charge of the withdrawal amount.
- Balance transfers will be imposed a 2% fee.

22. Change of Address. You shall notify the Credit Union in writing if there is an address change. If we were not notified, you could be liable for any unauthorized use. You also understand that the Credit Union cannot be responsible for timelessness of any mail system.

23. Non-Use. The Credit Union may revoke your Card and terminate this Agreement if there has been no activity on the account for at least 12 consecutive months.

24. No Waiver. The Credit Union can delay enforcing any of its rights any number of times without losing them.

25. Using the Account. You understand that any of you individually may increase the credit line (provided you qualify and the Credit Union approves the increase), reduce the credit line, or terminate the Agreement as to future loans by notifying the Credit Union in writing. Increases in the credit line shall take effect upon approval by the Credit Union. Reductions in the credit line and terminations of the Agreement as to future loans shall take effect on the next business day after the written notice is delivered by any of you to the loan department at the Credit Union. Termination of the Agreement shall not affect the rights of the Credit Union or the obligations of the Member and any joint owners with respect to obligations in existence at the time of termination. Each of the undersigned applicants certifies under the pains and penalties of perjury that he/she is at least eighteen (18) years of age, has read the foregoing Agreement, and jointly and severally agrees to abide by the foregoing terms and provisions.

26. Delay in Enforcement/Waivers. You also waive any applicable statute of limitations to the full extent permitted by law and any right you may otherwise have to require the Credit Union to proceed against any person before suing you to collect.

27. Governing Law/Severability. This Agreement shall be governed by and construed in accordance with the laws of Indiana. In the event any one or more of the provisions of this Agreement will for any reason be held to be invalid, illegal or unenforceable, the remaining provisions will remain valid and enforceable.

28. Electronic Communications. You agree that we have no obligation, liability or responsibility to respond, act upon, or follow any instruction to us that is received electronically, by e-mail or otherwise, unless we are able to authenticate the communication to our satisfaction. You further acknowledge and agree that the Internet is inherently insecure and agree that we have no liability for any loss, claim or damages that arises or in anyway relates to our response(s) to any e-mail or other electronic communication which we believe you have submitted to us.

29. Cash Advances. The Credit Union will charge a cash

advance fee (no minimum or maximum) when you access the cash credit line on your credit card account through an ATM, convenience check or at a credit union's teller window. The fee charged will be a percentage of the amount withdrawn or advanced. Finance charges typically accrue from the date of the advance, without the grace period normally present with purchases.

The party charging the fee is required to provide appropriate disclosures to you with regard to any such fees.

The redemption value of points already accumulated, may be changed at any time without notice and without restriction or penalty. The Credit Union also reserves the right to cancel any cardholders prior earned points, rewards, cash/merchandise back or any other item of value if you are in default as stated in paragraph ten (10). Awards are not available when a cardholder is in default under the credit card agreement. Any points or awards are earned only with purchases, cash advance transactions are not eligible towards earning points or any award/reward.

33. Skip Payment Option. At our option, we may offer you the opportunity to not make ("skip") a minimum payment during certain designated billing cycles ("skip payment period"). If you do not make your minimum payments as provided in this Agreement, during such designated billing cycles, you understand that we will continue to apply finance charges to the account.
