

Shared Branch Network

There are thousands of branch locations nationwide ready to serve you!

How to find a shared branch:

- Visit co-opsharedbranch.org
- Visit interracu.com/locations
- Look for the shared branching logo on a credit union's sign or building

At shared branches, you can:

- Make deposits and withdrawals
- Make loan payments
- Purchase money orders and cashier checks (available at most locations)
- Transfer funds between accounts
- Obtain cash advances
- And more!

At a shared branch, you'll need:

- A valid government issued photo ID
- The last four digits of your social security number
- Your member account number

574.534.2506 • interracu.com

Your deposits are insured to \$250,000 per account. By members' choice, this institution is not federally insured.
